

Doug Brown, MD

1. Hometown - Wyomissing, PA
2. Undergrad - The University of Scranton
3. Medical School - Lewis Katz School of Medicine at Temple University
4. Hobbies? Golf, Snowboarding, Running, Trivia nights
5. What do you like about Baltimore? It's an easily accessible city with charming neighborhoods, great restaurants, and is only a quick drive to the beach.
6. Favorite part about being a resident at Maryland? The people!! From the office staff to the residents and attendings, I really appreciate how welcoming everyone is. Also, the program has multiple clinical sites and early surgical exposure that helps in training well-rounded ophthalmologists.
