

Danyal Malik, MD

1. **Hometown:** Hagerstown, MD
2. **Undergrad:** University of Maryland, Baltimore County
3. **Medical School:** Howard University College of Medicine
4. **Hobbies:** One of my favorite hobbies is to fix old cars and to fix old laptop and phones.
5. **What do you like about Baltimore?** One of my favorite things about Baltimore is the diverse food scene in the city. Ranging from Italian to Ethiopian/Korean blend.
6. **Favorite part about being a resident at Maryland?** The mentorship at Maryland is phenomenal! From the excellent Attending's who go out of their way to explain complex concepts to the senior residents who do not hesitate to help you shine, to the incredible colleagues that make residency something to look forward to.
