

UNIVERSITY of MARYLAND MEDICAL SYSTEM

FACTS

University of Maryland Medical System (UMMS) delivers comprehensive health care services — including physician networks and health plans — throughout Maryland. UMMS physicians and skilled care teams work hand-in-hand with University of Maryland School of Medicine specialists to provide primary and specialty care at more than 150 locations across the state, including a network of academic, community and specialty hospitals.

UMMS Affiliates

University of Maryland Medical Center (UMMC) is the flagship academic medical center at the heart of UMMS and includes the 789-bed downtown Baltimore campus and the 177-bed midtown campus one mile north. The medical staff comprises nearly 1,200 attending physicians who are faculty members at the University of Maryland School of Medicine, as well as 900 residents and fellows in all medical specialties. UMMC is home to the Marlene and Stewart Greenebaum Comprehensive Cancer Center, the R Adams Cowley Shock Trauma Center and the University of Maryland Children's Hospital.

University of Maryland Baltimore Washington Medical Center in Anne Arundel County provides primary and specialty care, including cancer, orthopaedic, cardiac, women's, vascular and neuroscience services.
