University of Maryland Medical System (UMMS) delivers comprehensive health care services — including physician networks and health plans — throughout Maryland. UMMS physicians and skilled care teams work hand-in-hand with University of Maryland School of Medicine specialists to provide primary and specialty care at more than 150 locations across the state, including a network of academic, community and specialty hospitals.

**UMMS Affiliates**

**University of Maryland Medical Center** (UMMC) is the flagship academic medical center at the heart of UMMS, and consists of the 757-bed University campus, located in downtown Baltimore, and the 170-bed **UMMC Midtown Campus** one mile north. The medical staff comprises nearly 1,200 attending physicians who are faculty members at the University of Maryland School of Medicine, as well as 900 residents and fellows in all medical specialties. UMMC is home to the Marlene and Stewart Greenebaum Comprehensive Cancer Center, the R Adams Cowley Shock Trauma Center and the University of Maryland Children’s Hospital.

**University of Maryland Baltimore Washington Medical Center** in Anne Arundel County provides primary and specialty care, including cancer, orthopaedic, cardiac, women’s, vascular and neurosience services.

**University of Maryland Capital Region Health** provides primary and specialty health care in Prince George’s County, Southern Maryland and the Washington metro area, and includes:

- UM Bowie Health Center
- UM Laurel Regional Hospital
- UM Prince George’s Hospital Center

**University of Maryland Charles Regional Medical Center** is an acute-care community hospital serving Southern Maryland.

**University of Maryland Rehabilitation & Orthopaedic Institute** is the state’s largest rehabilitation and orthopaedic hospital, serving both adults and children.
