

**FINDING ALCOHOL AND DRUG TREATMENT SERVICES**

In order to get treatment for alcohol and drug problems you will need to identify providers/programs and arrange for payment. You may need to make a number of phone calls, obtain an evaluation for treatment, apply for financial assistance or secure an approval from your insurance company. There may be waiting lists for some inpatient treatment programs. We hope that knowing this, and having the attached resource information, will assist you in getting the treatment you need to get started on the road to recovery.

**FIND A TREATMENT PROVIDER**

1. If you have **private insurance**:
  - a) Contact your private insurance company for providers in your plan.
  - b) Ask your insurance provider for your benefits for substance abuse treatment and names of “in plan” or “in-network” providers or,
2. If you have **Maryland Medical Assistance**:
  - a) Call the number on your MA or Managed care Organization (MCO) card.
  - b) Ask your MA or MCO provider about your benefits for substance abuse treatment and names of “in-plan” or “in-network” providers or,
3. If you are an **Anne Arundel County resident with no insurance**:
  - a) Contact the county Substance Abuse referral Line at 410-222-0117
  - b) You may be able to apply for financial assistance for drug and alcohol treatment through the Opportunity for Treatment Fund (OTF) or,
4. If you are **not an Anne Arundel County resident, and have no insurance**:
  - a) Contact the Federal Substance Abuse and Mental Health Services Administration’s Treatment Referral Routing Service at 1-800-662-4357. Operators available 24/7 and are bilingual (English and Spanish). You do not need to give your name.
  - b) You may need to pay out of pocket. Some programs have a sliding fee scale based on income.
5. Make an appointment for an evaluation. An evaluation by a substance abuse treatment provider will help to determine the level of treatment you need.
6. While you are trying to arrange for treatment, begin attending a support group such as Alcoholics Anonymous (AA), Narcotic Anonymous (NA), Chemical Dependency Anonymous (CDA), or Self-Management and Recovery Training (SMART).

For more information about state funded alcohol and drug treatment programs contact the Alcohol and Drug Abuse Administration at 410-402-8300.

## SUBOXONE MAINTENANCE

- Suboxone is prescribed by specialty licensed physicians. Some insurance plans cover Suboxone treatment and others do not. Physicians who prescribe Suboxone will have individual fee schedules and many do not accept insurance.
- Individuals who have insurance call:
  - HERE TO HELP (They will help you find a Suboxone provider) 1-866-973-HERE (4373)
- Individuals with NO insurance should contact your local health department.

### **OR**

- You can find a list of physicians by using your computer and entering “SAMHSA Suboxone” in the address bar or by going to: <https://findtreatment.samhsa.gov/locator?sAddr=&submit=Go>  
Choose your state, i.e. Maryland, Delaware, etc. and a list of physicians will be provided. Use the list to locate providers within a reasonable commute distance and then call for availability and costs.  
SAMHSA is the Substance Abuse and Mental Health Services Administration.

We highly recommend that you also locate an outpatient counselor to see while on Suboxone as well as attend a support group such as Narcotics Anonymous to strengthen your recovery efforts.

## **OPPORTUNITY FOR TREATMENT FUNDING (OTF)**

**If you are an Anne Arundel County Resident and abuse alcohol or drugs, you may be able to obtain funds for treatment from the Anne Arundel County Health Department.**

### **Requirements**

You must be an Anne Arundel County resident, have no health insurance and be at least 18 years old.

The sliding fee scale, as used by Maryland Department of Social Services, determines the amount of your co-pay. Co-pay is the amount you are required to pay out of your pocket for your treatment. Your income and financial obligations are considered in determining the amount of money you will have as co-pay. The remainder of the cost is covered by the Opportunity for Treatment Fund and is paid directly to the treatment provider.

**Procedure** 1. You must make the telephone call yourself between 8 AM and 5 PM Monday – Friday to schedule an appointment for an assessment.

If you are a county resident, have no health insurance and are *seeking treatment for an alcohol or drug problem*, you are to call 410-222-0117 and ask to speak with a counselor about treatment through OTF.

Leave a message with the telephone number at which you can be reached if the person is not available. You will receive a call back and an appointment will be scheduled for you.

2. You will be asked to bring documentation of income (pay stub or tax form) or, if unemployed, a notarized letter from the person providing financial support. If you have filed for unemployment benefits you must bring verification that this has been done.
3. An assessment will be completed and the assessor will determine a treatment level (outpatient or inpatient) based on your needs.
4. You will be given a referral to a treatment center and an initial appointment will be made for you at the treatment center on the day of your assessment.
5. You and your treatment counselor will decide the length of time you will stay in treatment.
