

## General Wish List

### Child Life Program

While our patients range in age from a few hours old to age 20, many are infants and toddlers. This list reflects the need for items for those ages. Donations are the source of gifts for birthday and special celebration events and for the toys in our activity rooms. To make a donation, please contact Child Life at 410-328-1241.

For safety reasons, we ask that all toys are new. Please see our [Toy Safety Guidelines](#) and our [Amazon Wish List](#).
