

Treasure Chest Wish List

Child Life Program

Following anxiety-provoking procedures, children may pick out a special toy from our "Treasure Chest" in recognition of their strength. These rewards have a positive and often profound effect on the way children cope with hospital treatments.

Thank you for exploring ways to help. This list is based on the ages of children we serve. To make a donation, contact Child Life at 410-328-1241. For safety reasons we ask that all toys are new. Please see our [Toy Safety Guidelines](#).
