PORTFOLIO EPIC

LIFT

READY FOR A LIFT?

Portfolio Epic LIFT is a program developed by Clinical Informatics and designed for new UMMS Portfolio Epic users. Our goal is to improve new user efficiency and effectiveness, resulting in the best possible patient interaction.

LIFT will provide three 30 minute one-on-one skill enhancement sessions during your first 90 days of employment.

....

LIFT BENEFITS

Reinforce your Portfolio Epic skills

Learn Portfolio Epic tips and tricks

Improve the Portfolio Epic training program by providing feedback

Clinical Informatics will reach out to schedule your LIFT session

Work with your manager to plan for 30 minutes of uninterrupted time to complete each of your sessions (conducted on your unit/ department whenever possible)

READY TO GET STARTED?

WHAT HAPPENS NEXT?
