

OUR TRUE NORTH

ONEUMMS

Vision 2025 Goals

OUR PATIENTS

Sustain a culture of excellence that results in exceptional quality, safety and patient experience

OUR COLLEAGUES

Develop and sustain a highly talented, engaged, diverse, caring, and innovative workforce

OUR COMMUNITY

Provide access to integrated, value driven care to improve community health and well being, and advance a culture of philanthropy

MISSION

With commitment to our Patients, our Colleagues and our Community, and guided by our Catholic heritage, we provide loving service and high quality, compassionate and integrated care to improve the health and well-being of the communities we serve.

VISION

Led by our engaged workforce, pursuing our True North, and with a commitment to diversity and inclusion, we aspire to be a national leader in patient safety and experience, and integrated, high quality health outcomes for the communities we serve.
