**Dr. Evans** was informative, professional and competent.

Doctors did their homework, told me what was going on, and what was next; they were involved and patient.

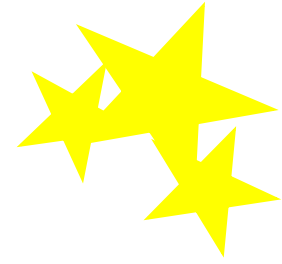

Doctors kept me very informed as to my condition and caring as to my needs.

**Dr. Aurora** explained my situation to me in terms I understood. Answered all my questions. Loved his bedside manners. Once I got home I received check up calls. **Dr. Gao** even called on Sunday! I appreciated that because I had some questions which he answered.

The doctors were great.

**Dr. Flanagan** is awesome.

**Dr. Coob** was very professional and kept me informed of all my care. ER doctors are very busy but she took the time to explain everything to me. I appreciated her empathy. What a great team member.

**Dr. Blucher** was attentive and answered my questions prior to discharge.

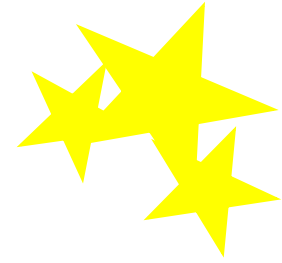

All the doctors took the time with me and it WAS appreciated. I will single out **Dr. McGill** who took time to speak to my husband and son. She was wonderful.

Doctor was excellent.

It is very possible that the quick actions of **Jessica**, triage nurses, and the ER doctor, **Dr. Feng**, could have saved my life based on the severity of my aortic aneurysm.

**Dr. Sopher** was amazing with keeping me and my baby safe during delivery.

**Dr. Hennon** was great. Can't thank him enough.

**Dr. Sharma** and **Dr. Poudel** were very professional and helped to ease my anxiety.

**Dr. Sharma** was the best doctor I had!

The doctor was friendly. Gave me information so I could understand everything that was going on. Totally explained everything. Great bedside manners.

**Dr. Torrence** was very respectful, she answered my questions thoroughly, and took time to relate to me as a person. Dr. Shippey was very thorough with explanations and answered all my questions.

**Dr. Bloomfield** was really great!

Everyone was informative and took care of my needs. **Dr. Bahl.**

**Dr. Seyoum** helped me through.
