

Kaufman Cancer Center Scorecard 2018

The Kaufman Cancer Center provide multidisciplinary care in which specialists in medical, surgical and radiation oncology see patients in one central location. Our partnership with the University of Maryland, Marlene and Stewart Greenebaum Cancer Center allow us to have full access to the most advanced cancer therapies, state-of-the-art technology, board-certified oncology physicians and clinical trials while offering the highest quality and personalized care close to home.

Our Cancer LifeNet program, is recognized by the Commission on Cancer as a best practice program, which includes experienced health care professionals that provide navigational and supportive care services and programs to all individuals in Harford and Cecil counties with a cancer diagnosis.

Cancer Measure	National Benchmark	UM UCH KCC Performance Jan-Dec 2018
