

University of Maryland Upper Chesapeake Cardiology, a hospital employed cardiology practice has an opportunity for a **BC/BE non-invasive cardiologist** to practice in Harford County. The group, composed of **10 physicians and several advanced practice providers**, is looking for a **full-time physician due to practice growth**.

The practice provides the full range of cardiology services to patients at UM Upper Chesapeake Medical Center (Bel Air, MD) and UM Harford Memorial Hospital (Havre de Grace, MD). The ideal candidate will have a **strong interest in diagnostic testing**, superior communication skills, and the desire to work in a very busy clinical practice. In addition, **training in echocardiography, cardiac CT and nuclear imaging are preferred**. The offices are fully equipped for stress testing, holter monitoring, and ICD/pacer evaluation. The organization is committed to population health initiatives, such as a CHF clinic and cardiac rehabilitation program. The Epic EMR is used in the hospital and clinic settings.

The practice offers an **excellent compensation package including a market comparable base salary and a full benefits package including CME allowance, malpractice insurance, health and dental insurance, and retirement plan**.

Facilities are quality excellence award winners with advanced equipment and technology. Named one of **"Best Places to Live in Maryland"**, the community boasts a diverse population, excellent schools, low crime rate, great neighborhoods, recreational options, shopping and dining. Enjoy a relaxed lifestyle with easy access to numerous cultural and professional sporting offerings in major metro areas (Philadelphia, Baltimore, and D.C.).

Contact Marian Whitlock at (410) 398-0258 or email Whitlock_uch@yahoo.com for additional details.

UMMS hospitals and health care facilities are equal opportunity employers and proud of an environment of diversity.
