- Medical malpractice
- CME allowance
- Paid license and professional dues
- Hospital employed opportunity

COMMUNITY:

Harford County, Maryland offers safe suburban living with nice neighborhoods, green space, and strong schools. Easy access to larger metropolitan area such as Baltimore, Washington D.C. and Philadelphia. If urban lifestyle is desired, living in Baltimore provides for an easy reverse commute.

The area provides four seasons, professional sports teams, active community life and recreational activities, prestigious college and university systems, and is equidistant to beaches and the mountains of western Maryland. For additional information on the dynamic opportunity please contact

Marian Whitlock at (410) 398-0258 or email CV to whitlock_uch@yahoo.com

UMMS hospitals and health care facilities are equal opportunity employers and proud of an environment of diversity.
