

### Nurse Practitioner Positions for Expanding Hospitalist Services Team

Hospitalist Services Team is seeking an **acute care nurse practitioner (NP)**, to cover **night shifts (5p-5a, 6p-6a, or 8p-8a)**. Weekday, weekend, shift work, holiday and on-call may be required. Program has clearly defined clinical pathways.

Successful candidate will have successfully completed an approved accredited program as **acute care, nurse practitioner** with appropriate certification exams. National certification in the area specialty and licensed by the Maryland Board of Nursing. NPI number, DEA and CDS required. BLS required. ACLS required.

**Previous experience as NP preferred**, but not required. Registered nurse experience in an acute care setting highly preferred.

Responsibilities include:

- Floor calls,
- Admissions with orders and dictations.
- Back-up support is ICU APC, and nocturnist hospitalist.
- Work schedule is eight, ten, or twelve hour shifts available
  - **Night shift** (5p-5a, 6p-6a or 8p-8a).

**Nurse Practitioner** will be a **hospital employee** with competitive salary and benefits package. **Night shift** has **significant night differential** in **addition to base salary**.

The suburban setting has plenty to offer, including safe neighborhoods and excellent schools.
