

Successful Family Practice Group Seeking Nurse Practitioner or Physician Assistant

Immediate opening **full time or part time** in established family practice for **Nurse Practitioner (NP)**, or **Physician Assistant (PA-C)** to join busy **outpatient** practice in Bel Air, MD, located 20 minutes north east of Baltimore.

Successful candidate will be a graduate of a Master's degree program with concentrated area of study in **family medicine for NP** or Master's degree with concentrated area in physician assistant studies (**MPAS**) for **PA-C**. Previous outpatient **worked clinical experience, highly preferred**. Current licensure in Maryland and ACLS and BCLS certification required

The work **schedule** offers an **attractive work/life balance**. "Fit" is of utmost importance as the practice has a strong track record of provider retention. **No weekend office hours**. Work one evening per week until 7 p.m. On-call once per month for practice. The work environment is collegial and supportive.

The location offers safe neighborhoods, strong schools, diverse recreational activities, and easy access to larger metropolitan areas (Baltimore, Washington D. C., and Philadelphia). This position offers a **competitive compensation and benefits package including paid CME!**
