

Outpatient Primary Care

Position **immediately available** for a **BE/BC internal medicine or family medicine physician** interested in an **outpatient only practice**. Join a **hospital-employed well established** and respected group practice of **17 physicians and 5 nurse practitioners** working from 4 office locations. Skilled nursing/assisted living facility work is available, but not required.

Harford County, Maryland is a suburban community with safe neighborhoods, strong schools, and diverse recreational and dining options. Philadelphia is 1.25 hours to the north and Washington D.C. is 1.25 hours to the south; beaches are to the east and mountains are to the west.

Position offers a competitive compensation package and robust benefits package. Good availability of specialists in the community and strong administrative support. If interest, please **contact Marian Whitlock at (410) 398-0258 or email CV to whitlock_uch@yahoo.com**.

UMMS hospitals and health care facilities are equal opportunity employers and proud of an environment of diversity.
