

University of Maryland [Upper Chesapeake Health](#) (UM UCH) seeks a full-time **Women's Health Nurse Practitioner** to provide an **array of women's services** as a valued member of multidisciplinary women's healthcare team. Primary responsibilities include:

- Managing patients with common acute conditions, illnesses, or minor trauma within accepted protocols, Nurse Practice Acts, and/or in collaboration with a physician.
- Conducting well-women's visits. Obtaining and ordering appropriate cultures, blood work, cervical cytology and other labs etc.
- Providing comprehensive education on the childbearing process. Identifying fetal/maternal pre-gestational and gestational conditions.
- Collaborating with the physician in the health care of patients with chronic illnesses. Requesting consultation or referral with appropriate physicians, clinics, or other health resources as indicated.
- Ordering diagnostic tests as applicable.

The successful candidate must have graduated from an accredited baccalaureate degree program in nursing (BSN). Hold a Masters degree from an approved **OB/GYN or Women's Health Nurse Practitioner Program** or Advance Certification. The nurse practitioner must have an approved and current Nurse Practitioners license in the state of Maryland and a current BLS certification. Minimum of **2 years worked experience preferred** as a Women's Health Nurse Practitioner.

The position is **full-time day shift position** with work hours 8-4:30 Monday to Friday. Employees of UM UCH have full benefits package and a market competitive salary. The work environment is friendly and team oriented. The facilities are located in Bel Air, MD and are quality award winners with advanced technology.

Please **contact Marian A. Whitlock at (410) 398-0258** or email CV to [whitlock\\_uch@yahoo.com](mailto:whitlock_uch@yahoo.com) for additional information.

***UMMS hospitals and health care facilities are equal opportunity employers and proud of an environment of diversity.***
