
WELCOME TO THRIVE!

THRIVE Mission:

- To deliver high quality comprehensive health care that inspires individuals to thrive

THRIVE Core Values:

- Deliver quality primary and specialty care that focuses on prevention and treatment of acute and chronic infections.
- Meet patients' medical and psychosocial needs by providing comprehensive, patient-centered, compassionate, interprofessional team-based care that incorporates a wide range of integrated services.
- Elevate the medical, emotional, social, and sexual health and well-being of diverse individuals and communities.
- Collaborate with academic, governmental, community, and research partners that further these values.

Switching your medical care providers

For patients transferring into or out of our practice, we will make every effort to ensure a smooth transition, including getting your medical records to your new treatment team.

SIGN UP FOR MyPORTFOLIO!

MyPortfolio allows you to...

- **Communicate with your doctor:** Many providers can be reached through MyPortfolio; allowing you to get answers to your medical questions from the comfort of your own home!
- **Request prescription refills:** Send a refill request for any refillable medications
- **Access your test results:** No more waiting for a phone call or letter- view your result and your doctor's comments within days
- **Manage your appointments:** schedule your next appointment, or view details of your past and upcoming appointments

To sign up, see instructions on your check-out paperwork. For questions or technical difficulties with MyPortfolio, contact the MyPortfolio Support Team toll-free at 844-281-8667 or email myportfoliosupport@umm.edu or myportfoliosupport@mpcp.com.

The THRIVE Program

800 Linden Avenue
Ambulatory Tower
7th Floor
Baltimore, MD 21201

JACQUES Treatment, Retention, and Adherence Center (TRAC)

827 Linden Avenue
Armory Building, Suite D (On Howard)
Baltimore, MD 21201

JACQUES Journey Center

520 West Fayette Street
Suite 140
Baltimore, MD 21201

Many of the services available at the THRIVE program are funded by the Ryan White HIV/AIDS Program. Eligibility for these services requires:

- HIV+ status documented by physician or laboratory test results
- Income that is below 500% of the Federal Poverty Level
- Residency in Baltimore or the 6 surrounding counties (for Part A Services) and/or in the state of Maryland (for Part B Services)
- Lack of insurance coverage for needed services

Ryan White Services at THRIVE

- Outpatient ambulatory health services (primary care and HIV specialty care)
- Medical case management (clinic and community based)
- Mental health care
- Substance abuse outpatient (treatment for opioid use disorder, including Suboxone and Vivitrol prescriptions)
- Medical nutritional therapy (nutritionist consults, Ensure & Glucerna)
- Food bank/home delivered meals
- Other professional services (legal services)
- Transportation (tokens for public transportation, ride share)
- Health insurance premium cost sharing (assistance with copays)
- Emergency financial assistance (medications)

In order to receive the benefit of ANY of these Ryan White funded programs, you must provide address and proof of your income yearly and verify any changes every six months. If you are seen at the THRIVE program for HIV care, your eligibility for Ryan White funded services will periodically be reviewed. Those eligible for Ryan White services can receive any of the services listed.

Speak to your social worker if you are interested in any of these services.

We also offer referral to other Ryan White funded services, including dental care.

HOPWA Services at THRIVE

- Housing case management and financial assistance
- Employment counseling

SUPPORT

- Case management for those who need support to stay on track with goals
- Help with obtaining community resources
- Opportunities to get involved by joining the Consumer Advisory Board (CAB)
- Support groups at both THRIVE and the JACQUES Journey Center
- Assistance to better take medicines or keep appointments
- Support and guidance around talking about your illness with loved ones
- Resume writing, job leads, practice interviewing, career training info with the Employment Counselor
- Legal services for assistance with advance directives, SSI/SSDI appeals, name/gender marker change, and more

BEHAVIORAL HEALTH

- Mental health services on-site or through a referral, including immediate help in a crisis
- Substance use consultation and referrals for treatment
- On-site Suboxone and Vivitrol maintenance program
- Substance use support groups
- Assistance with obtaining medical cannabis certification

INSURANCE AND FINANCIAL

- Help navigating insurance programs (including Medicare, MA, private insurance and hospital Financial Assistance) to limit patient expenses and out of pocket costs
- Housing resources and occasional emergency rent/mortgage/utility assistance
- Emergency coverage of almost all medication and medication co-pays
- Coverage for some medical equipment for patients 50+ that cannot be obtained through insurance
- Transportation assistance for appointments

MEDICAL

- Free medical care if uninsured and meeting income requirements* via Ryan White funds (includes labs and outpatient medical care costs)
- Team based medical care including provider, Nurse, MA, Social Worker and Treatment Coach
- HIV prevention services: education and treatment including PrEP, PEP, U=U
- Referrals for free/prorated dental care and help with eyeglasses
- Referrals for food and nutrition resources
- Coordination of referrals for pain management appointments
- Coordination of referrals to support personal weight goals and/or to set healthy eating habits

**There are requirements for many, but not all, of the above services*

CALL YOUR TEAM SOCIAL WORKER FOR MORE INFO: 410-225-8369 OPTION 5

HIV PREVENTION MEDICATIONS

- **PEP: POST-Exposure Prophylaxis**
 - PEP is for people who do not have HIV, but are at risk from an exposure
 - Examples of exposures: a needlestick injury in a healthcare worker, a sexual exposure, or exposure through shared drug-use supplies
 - PEP must be started within 72 hours (3 days) of the exposure and is taken for 28 days
- **PrEP: PRE-Exposure Prophylaxis**
 - PrEP is for people who do not have HIV, but are at risk from ongoing exposure
 - Examples of people at risk: sex partners of people living with HIV, men who have sex with men, transgender women, and people who inject drugs
 - PrEP is a single pill that must be taken daily while someone is at risk
- **TasP: Treatment as Prevention**
 - TasP protects HIV-negative sexual partners of people living with HIV
 - When a person living with HIV is treated with effective medications and the HIV viral load is suppressed (also called ‘nondetectable’ or ‘undetectable’) there is **no risk** of transferring HIV to a sexual partner.
 - **Undetectable = Untransmittable! U = U!**

HIV PREVENTION THROUGH HEALTHY PRACTICES

- Use condoms and lubricants!
- Know the HIV status of any sex partners - get tested!
- Never share needles or other equipment for drug use or other injections

FREE HIV TESTING

- JACQUES Initiative Journey Center, 520 W. Fayette Street, Suite 140
 - Monday to Thursday, 10am to 4pm, by appointment (410-706-6410)
- Community Health Education Center, 800 Linden Avenue, basement
 - Monday to Friday, 8am to 4:30pm
- STAR TRACK: Adolescent and Young Adult Center, 120 Penn Street
 - Monday to Friday, 9:30am to 4pm

HIV CONVERSATION SUPPORT

- **How to share your HIV diagnosis with loved ones:**
 - Tell your loved ones at a time and place most comfortable to you
 - Tell your loved ones at THRIVE, with the aid of our staff and providers
 - Ask THRIVE to assist in anonymous partner notification services through the local health department
 - The local health department will also routinely contact any person newly diagnosed with HIV to offer partner notification services
- **HIV prevention services:**
 - Sexual partners of any person living with HIV infection may be eligible for HIV prevention services above. They may call the numbers below for more information or to schedule an appointment to discuss HIV prevention.

SHARE THIS INFORMATION WITH YOUR PARTNERS!

PATIENT EXPECTATIONS OF THE THRIVE PROGRAM

- To receive care in a safe setting
- To be treated with dignity and respect
- To participate in decisions regarding your treatment
- Privacy and confidentiality of your health information
- To be fully informed of the rules and the services that are available to you
- To voice concerns and/or grievances without fear of retaliation
- To receive all of these rights without regard to race, sex, gender identity or expression, sexual orientation, economic circumstances, educational background, religion, or insurance status

THRIVE PROGRAM EXPECTATIONS OF PATIENTS

- Show respect to the entire THRIVE staff and property
- Show respect to other patients and their property
- Keep your voice low and use polite words and tones when talking to others
- Be in control of your behavior at all times, even when you are feeling angry or frustrated
- Follow all clinic rules and policies

THE FOLLOWING BEHAVIORS WILL NOT BE TOLERATED

- Possession of any type of weapon
 - Violence or threats of violence toward any staff, patient, or visitor
 - Threatening or intimidating language or gestures
 - Use of foul or derogatory language (including racial, ethnic, or gender-specific slurs)
 - Sexually explicit comments or gestures
 - Touching someone without their consent
 - Spitting or throwing objects at others
 - Intentional destruction or theft of property belonging to THRIVE, staff, or other patients
 - Buying, trading, or selling tobacco, drugs, or alcohol in the clinic
 - Using tobacco, drugs, or alcohol in the clinic
 - Entering staff work areas or clinical spaces without a staff escort
-

If you witness any of these behaviors while visiting the clinic,
please report your experiences to staff right away

**VIOLATORS MAY BE ESCORTED OUT OF THE CLINIC BY HOSPITAL SECURITY AND/OR
PERMANENTLY DISCHARGED FROM THE PRACTICE**

IF YOU HAVE CONCERNS OR SUGGESTIONS ABOUT THE CARE YOU RECEIVE...

- Submit anonymous concerns or suggestions through the suggestion box in the waiting room
- Attend a consumer advisory board meeting (held monthly; ask THRIVE staff when next meeting is)
- Request to speak to the Clinic Manager or Business Operations Supervisor
- Contact the Patient Advocacy office (443-552-2870)
- Contact The University of Maryland Human Research Protections Office with any concerns related to research (410-706-5037)
- A copy of the UMMC Midtown Campus grievance policy is given to each patient during registration for every visit. This policy includes information on how to file a grievance with UMMC Midtown Campus and with the U.S. Department of Health and Human Services, Office for Civil Rights if you believe you have been discriminated against on the basis of race, color, national origin, age, disability, or sex.

**WE AIM TO PROVIDE EXCELLENT CARE AT EVERY VISIT. IF WE HAVE
FALLEN SHORT PLEASE LET US KNOW HOW WE CAN DO BETTER.**
