| Reduce the rate of recidivism due to violent injury and domestic violence. | Provide education and information through access to evidence-based program: **Violence Intervention Program (VIP).** | Patients admitted to UM Shock Trauma Center due to violence > 15 yrs. Participants include victims of assault, sexual assault, gunshot wounds, and DV related incidents. | **VIP program** provides structured support and education to prevent repeated violence in the community.  
- Case workers enroll patients of violent injury at the bedside.  
- Participants are offered weekly support group meetings after discharge.  
- Participants receive services to help with employment, housing, mental health, substance abuse, and interpersonal skills. | **Reach:**  
1) 100 of participants enrolled  
2) 100 of participants completing program  
**Outcomes:**  
1) Re-injury rate (based on the Trauma Registry and state-reported criminal activity)  
2) Self-reported re-injury and self-reported criminal activity  
3) VPP Survey and Program Evaluation Survey  
PHAT or MFMF Survey | School of Nursing  
School of Social Work  
Baltimore City Police Department and several community partners:  
- Department of Juvenile Services  
- Department of Parole and Probation  
- Public and private schools, the State's Attorney's Office  
- Community organizations |
<p>| Promote violence prevention and education in youth populations. | Provide education on the importance of violence prevention through two evidence-based | Middle and high school students in Baltimore City. | <strong>My Future – My Career</strong> is held at the Shock Trauma Center as a 4-6 weeks program, designed to engage youth who are at risk for either becoming victims and/or victimizing others. Students focus | \ |</p>

</table>
| Increase the number of people gainfully employed | Implement a workforce pipeline that leads to career opportunities for underserved residents of West Baltimore through 7 programs: Healthcare Career Alliance, Project Search, YouthWorks, NAHSE, BACH Fellows, Urban Alliance program | 1) 18-21 year old Baltimore City at risk youth  
2) Underemployed and unemployed populations  
3) Individuals currently receiving public assistance | Provide training, coaching and employment for program participants through 7 key programs:  
- **Healthcare Career Alliance** – Work readiness skills training, job training via internships and career coaching and internships  
- **Project Search** – One-year academic and internship program for Baltimore City high school seniors with disabilities  
- **YouthWorks** – Summer jobs program, sponsored by the Mayor’s Office, for Baltimore City Youth. The program provides a 6 week internship for youth 14-21 years of age.  
- **NAHSE** – Eight week internship program for minority undergraduate and graduate students. Interns with an interest in health administration, health information technology, finance, marketing and human services are afforded the opportunity to gain meaningful experience at the hospital. | Reach:  
1) # of students enrolled in programs  
Outcomes:  
100 gainfully employed individuals | VSP  
Center for Urban Families  
Helping Up Mission  
Catholic Charities  
Sinai Hospital  
Mayor’s Office of Employment Development  
Department of Social Services |
| BACH Fellows | Provides rising high school seniors a six-week, career-building workshop and paid work experience in a hospital setting. |
| Urban Alliance | Provide students with internships in professional settings such as law firms, banks, hospitals, financial institutions and non-profit organizations. |
Implementation Plan – Health Literacy
FY2016-2018

Goals:

• Develop/purchase all health educational materials at 5\textsuperscript{th} grade reading level
• Develop material educating the public on appropriate use of emergency services, primary care, and urgent care
• Collaborate with UMMS hospitals on a uniform Patient Financial Assistance brochure
• Collaborate with UMMS’ Baltimore City Health Literacy Initiative with other local health systems (JHH, St Agnes, & Medstar)
