

## Resident / Fellow Survey

All information you provide about your current program will remain confidential. No individual responses will be given to your program, your program director, your faculty, your institution, or the Residency Review Committee. The summarized data will be a part of the information considered by the accreditation site visitor for the accreditation of the program and sponsoring institution. No accreditation decisions will be made based solely on this survey. Summary data from this survey may be used to inform ACGME policy decisions at the national level. Summary data and other information about programs, institutions, resident physicians or resident physician education which is not identifiable by person or organization may be published in a manner appropriate to further the quality of GME and consistent with ACGME policies and with law.

For these questions, please consider experiences in your residency / fellowship program since the beginning of the current academic year.

Click the "Submit results" button when you are finished. If you do not click the "Submit results" button below within 30 minutes of logging in, your session will be disconnected. If you are disconnected, return to the login page to retake the survey.
