

PROFESSIONAL GROWTH (GIUDICE)

Table Discussion Bullet Points

- Academic Advancement
 - Educational scholarship
 - Building internal support
 - Gaining external support
- Mentoring/Sponsoring (identifying one's own mentor/sponsor)
 - Mentors/sponsors within the institution
 - External mentors/sponsors
 - Collaborating with others
- Developing Leadership Skills
 - Leading your team (or managing from the middle)
 - Communicating effectively
 - Getting feedback

Questions for participants

1. How can I get promoted based on my education-related work? How can I turn the work that I am doing into educational scholarship?
2. How do I find people to write external letters of support?
3. How can I find mentorship for my career goals within this institution? Outside this institution?
4. How can I collaborate effectively with other leaders in this institution? Regionally? Nationally?
5. How can I effectively lead my administrative team? (Or manage from the middle?)
6. How should we determine and communicate roles and responsibilities? How do I hold people accountable and also support them?
7. How do I get feedback to improve my own leadership skills?
