What is FMLA?

The Family and Medical Leave Act (FMLA) is a federal law that allows you to take up to 12 weeks of job-protected leave if you are unable to work due to an accident or illness, a family member's illness, or the birth, adoption or foster care of a child, or for any qualifying exigency arising out of certain covered active duty, National Guard and Reserve military service. FMLA allows you to take up to 26 weeks off to care for an injured or ill service member. FMLA time can be used for consecutive days or intermittent periods. In order to qualify for FMLA, employees must have worked 12 months within UMMS and 1250 hours within the last 12 months.

How do I request a STD claim or FMLA to Lincoln Financial?

You may open a claim 24 hours a day, 365 days a year either by calling the toll free number **844-208-1665** or by submitting the claim or leave via the secure website by going to *HRConnections*, select Disability, FMLA & Other Leaves under **My HRConnections QuickLinks**, which provides a single sign-on directly to the Lincoln Financial web portal where you click on "Report a new claim or leave of Absence"

What if I am on a disability claim?

When you go out on a Short Term Disability (STD) claim, an FMLA will be opened automatically on your behalf by Lincoln Financial. STD and FMLA can run concurrently; STD benefits pay you while you are disabled from your job, while FMLA protects your job while you are out.

Lincoln Financial process is to track STD and FMLA leaves simultaneously. You may be asked for supporting medical information to support your STD claim. Once the medical information is received and it is complete, STD and FMLA will be approved concurrently, without having to submit additional medical information for FMLA approval.

If STD is not approved, you may receive an additional request for an FMLA medical certification if needed.

If you have any further questions about FMLA and Short Term disability, you can submit any questions via *HRConnections* Online or by calling the *HRConnections* Service Center at 1-855-4UMMSHR (1-855-486-6747).

***In order to maintain your health/dental benefits an employee must continue to pay their premium contribution. If anytime the active employee does not receive a paycheck from UMMC, the employee is responsible for paying their contribution directly to UMMC.
