Human Services Library

Library Resources for Residents

Please don't forget to schedule a library orientation for your residents! The hour-long session covers:

- Creating an account to access library resources
- Finding and using the many services provided by the library
- Searching PubMed, UpToDate, and Micromedex

This session will contain new information for residents who attended the UM School of Medicine as well as fellows who completed a UMMC residency.

Sessions are available:

Mondays at 1pm

Fridays at 9am

Note: There will be no training scheduled Friday, July 3
