

Perioperative Orientation: June 22nd 1:00 pm – 3:00 pm

Email: Marie Wells (mawells@umm.edu) & Stephanie Reed (Stephanie.Reed@umm.edu) to schedule and get the Zoom link

Residents and Fellows should receive copies of or review in Policy Stat these two policies:

- **Surgical Attire Policy**, which is specific to the Procedural areas, and more prescriptive than the main hospital policy
- **Surgical Counts Policy** and attachments.

Radiation safety: for residents in Urology, Vascular surgery, Orthopedic surgery and Neurosurgery:

- They need radiation dosimetry badges ordered
 - o They should not be allowed into the OR without these badges
 - o These are good for five years and track their radiation exposure
 - o The radiation badges are ordered electronically using the “Radiation Worker Registration Form” or by submitting the paper request form via fax

The form is located on the Intranet at the following site: [Radiation Worker Registration Form](#)

- They should get personal lead for use in the ORs since this is used on an almost daily basis depending on their service.

- o The Vendor representative that we use in the facility is Burlington Medical
- o Brian McSorley 410-207-2963 info@burmed.com
