# How to Login to TMS 2.0

1. Go to https://www.tms.va.gov/SecureAuth35/

2. Enter your Username into the **Username** field. Note: For most Users it will be your @va.gov email address.
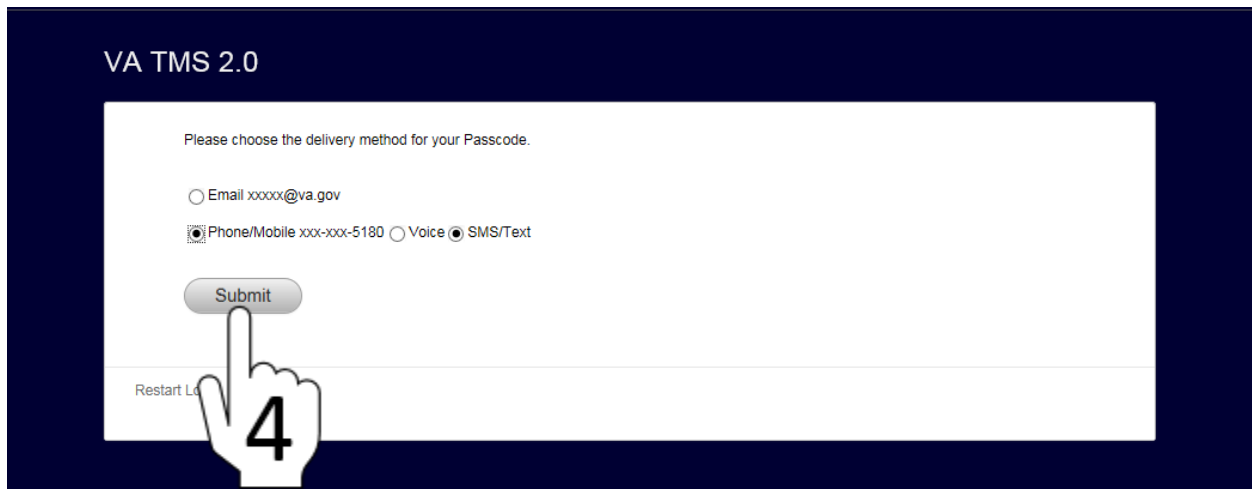

3.  Click Submit

The system will then ask you to choose a delivery method for your one-time Passcode.

4.  Select your desired delivery method and click the **Submit** button.  Please report any errors to your <u>local</u> TMS Administrator.

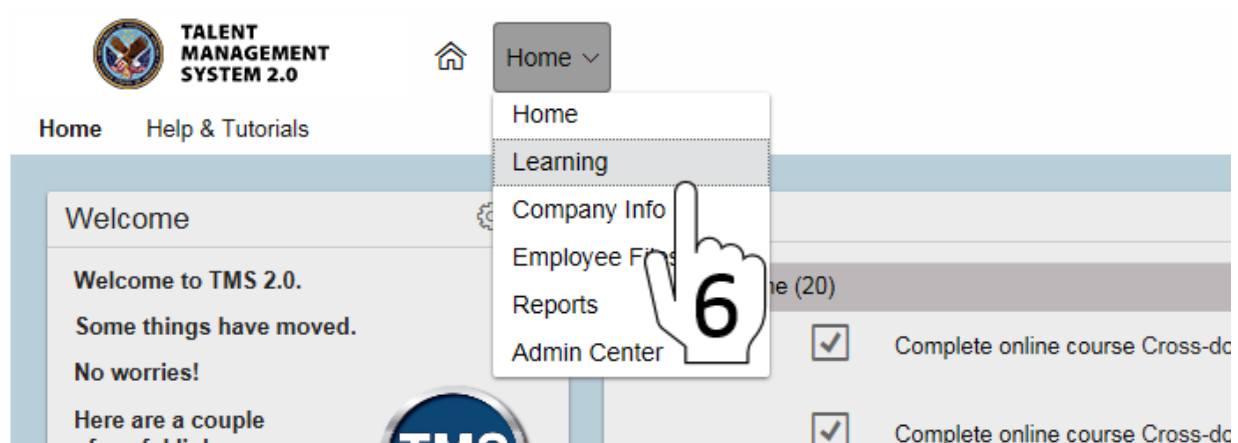

---

**Note**:  You may choose to have your **Passcode** delivered via any e-mail address to which you have current access.  You may also add a direct-dial phone number to your profile to receive the **Passcode** as either a Voice or SMS/Text message.  The Voice or SMS/Text message method is usually the quickest – taking only a few seconds.
