COURSE DESCRIPTION
The educational activity will cover a full spectrum of vascular diseases, including thoracic and abdominal aortic aneurysms, peripheral vascular disease, vascular access, peripheral vascular disease, arterial and venous disease.

LEARNING OBJECTIVES
At the conclusion of this educational activity, participants should be able to:

1. Describe the techniques of the field of vascular surgery
2. Identify new treatments in the field of vascular surgery
3. Participate in the field of vascular surgery

CREDIT ACCREDITATION
The University of Maryland School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This activity is part of the Southern Management Corporation Marketing and Sales Support (MSS) activity.

CREDIT DESIGNATION
The University of Maryland School of Medicine designates this educational activity for a maximum of 5.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.

FACTOR DISCLOSURE
It is the policy of the University of Maryland School of Medicine and/or affiliated institutions to disclose to participants, physicians, scientists, and staff any relationships that exist with commercial financial entities that may have an interest in the educational content of this activity. This information will be included in the activity. If no relationship exists, this statement will be made.

ADA STATEMENT
If you require special accommodations to attend or participate in this CME activity, please provide information about your requirements to Althea Pusateri, Academic Coordinator (410) 756-8066. Voice at least 2 weeks in advance of the activity.

ONLINE REGISTRATION
Please register online at: http://www.msm.edu/registration/faculty.html

The educational activity is approved by the United States’ Health Professions Accreditation Council for 5.00 Continuing Medical Education credits.

WHO SHOULD ATTEND
This activity is appropriate for vascular surgeons, vascular medicine specialists, vascular interventionalists, cardiovascular surgeons, nurse practitioners, surgeons, interventional radiologists, and others with an interest in vascular and endovascular topics.

LOCATION
The University of Maryland School of Medicine is located at 655 W. Baltimore Street, Baltimore, MD 21201. The campus is situated between the University of Maryland School of Medicine Health Science Library and the University of Maryland School of Nursing, which are directly across the street from the University of Maryland Medical Center.

SOCIAL EVENT
Welcome Reception
Thursday, May 12, 2016
4:00 – 6:00 pm
