

INSTRUCTIONS FOR ACCESSING RESIDENT PRIVILEGING INFORMATION THROUGH E-VALUE

STEP 1 Open your web browser and go to <http://www.e-value.net>

Or

Select **Patient Care Resources** in the UMMC intranet

The screenshot shows the UMMC intranet homepage. On the left, there are sections for 'Schedule', 'Use pager ID', and 'It Out On-Line'. The main content area features a table of resources:

	HPF - Horizon Patient Folder	
	Quantim	
	Adult Echocardiology - ProSolv	
	Downtime Instructions	
	Downtime Lab Results	
	Millennium Optimization	

Below the table is a yellow banner for 'Drop-in Training for PowerChart' and a section titled 'UMMC Clinical Links' containing a link for 'Patient Care Resources - access to all clinical information' which is circled in red. Other links include 'Dangerous Abbreviations' and 'Formulary'.

On the right side, there is a 'User ID = Employee Number' and 'Password = last name' field, a 'UMMC Employee Links' section with a 'Click here' button, and a 'Commitment to Compliance' section with information on reporting activities.

Then select **Regulatory:**

[Policies and Other Regulatory Manuals](#)

Resources [Return to main page](#)

The screenshot shows the 'Resources' page. At the top, there is a grid of navigation links:

Hospital & Clinical Resources	Clinical & Hospital Policy Manuals	Clinical Services & Departments
PCS Governance	Regulatory	Professional Development

The 'Regulatory' link is circled in red. Below the grid, there is a section for 'Hospital & Clinical Resources' with links for 'Advance Practice Registered Nurses' and 'Antimicrobial Management'. To the right, there is a section for 'Upcoming Surveys' mentioning the 'fourth annual RN Demographic and Professional Characteristics data collection'.

Then select **Resident Privileging Information (E-Value.net)**

The screenshot shows a navigation menu with three tabs: "PCS Governance", "Regulatory", and "Professional Development". The "Regulatory" tab is active, displaying a list of links. The link "Resident Privileging Information (E-Value.net)" is circled in blue. To the right, a yellow box titled "Upcoming Surveys" contains text about an annual survey and contact information for Tori Walker.

Regulatory

- Clinical Practice Manual
- Clinical Staff Resources + Clinical Experts (future)
- Core Measures
- Corporate Compliance
- Employee Code of Conduct
- Hospital Policies and Procedures
- JCAHO Accreditation Manual
- J-Mails
- Patient Rights and Responsibilities
- Plan for Providing Patient Care
- Resident Privileging Information (E-Value.net)
- Scope of Services
- Maryland Nurse Practice Act
- Declaratory Rulings

Upcoming Surveys

The fourth annual **RN Demographic and Professional Characteristics data collection survey** will be conducted April 2-16 on the Intranet. This five-minute data collection allows us to identify and recognize the many ways that Medical Center nurses participate and contribute to the advancement of nursing practice. All Medical Center RNs, regardless of their job title, are asked to complete or update their professional profile online April 2-16. Questions regarding this year's data collection can be directed to **Tori Walker** in Professional Development, at 8-6257 or twalker@umm.edu.

The sixth annual **Maryland Hospital**

STEP 2 **Login Name** (lower case): nurseone
Password (lower case): managerone
Click on **Login** button

The screenshot shows a login form titled "To access E*Value, enter your Login Name and Password." The form has three input fields: "Login Name:" with the value "nurseone", "Password:" with masked characters, and "Institution Code*:" which is empty. A "Login" button is to the right of the Institution Code field. Below the form is a link "Forget your login information?". At the bottom, there is a note about using institution-specific credentials and a warning about session corruption.

To access E*Value, enter your Login Name and Password.

Login Name: Password: Institution Code*:

nurseone ***** Login

[Forget your login information?](#)

* If your institution has provided you with a Login Name, Password, and Institution Code combination other than your E*Value Login Name and Password, please enter that. Leave the Institution Code blank to log in using your E*Value credentials.

To prevent potential corruption of your session, please do not open more than one browser window while working in E*Value.

STEP 3 At **Programs** screen, choose a resident/fellow program by scrolling and highlighting a program name under the heading **Programs**.
Click the button **Continue Login**

You are associated with more than one program within E*Value/E*gme. Please select the program you wish to work this time:

Programs:

- University of Maryland, Addiction Psychiatry Program
- University of Maryland, Anesthesia Cardiothoracic and Trauma
- University of Maryland, Anesthesiology Residency Program
- University of Maryland, Cardio Thoracic Surgery
- University of Maryland, Cardiology Training Program
- University of Maryland, Child & Adolescent Psychiatry Residency

Continue Login -->

STEP 4 Go to the left User Menu **PxDx** under the Menu Heading **Reports**

STEP 5 At the **PxDx** screen, click on the sub-menu item **Procedure Privileges** in the user menu or **Procedure Privileges** in the center of the screen

AVAILABLE OPTIONS At the **Trainee Procedure Privileges**, You now have two options for extracting privileging data (proceed to next page) – You can select **All Procedures** for a **User** (trainee) or a **Single Procedure** for a **User**.

**OPTION 1
RESULT**

Single Program User and the **Single Procedure** and **Supervision Requirements** for that **User/Procedure** are displayed (Note: The term *User* represents the trainee Resident or Fellow)

**University of Maryland
Cardiology Training Program**

Trainee Procedure Privileges

Subject: Martin Engelhardt
Report Date: 03/22/2007

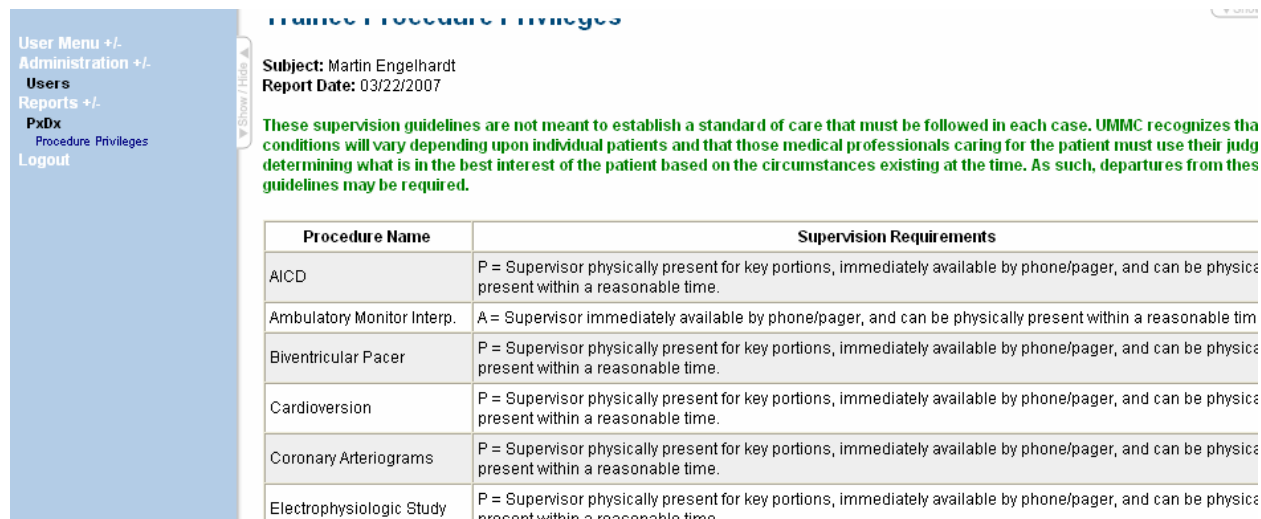

These supervision guidelines are not meant to establish a standard of care that must be followed in each case. UMMC recognizes that conditions will vary depending upon individual patients and that those medical professionals caring for the patient must use their judgment in determining what is in the best interest of the patient based on the circumstances existing at the time. As such, departures from these guidelines may be required.

Procedure Name	Supervision Requirements
Cardioversion	P = Supervisor physically present for key portions, immediately available by phone/pager, and can be physically present within a reasonable time.

OPTION 2

Privileging Data by a Single Program User and All Procedures for that User

(Note: The term User represents the trainee Resident or Fellow)
